Program Review
Faculty Survey

The purpose of this survey is to invite you to provide feedback on the [insert program name] program, referred to as Program in the survey. Your feedback will inform improvements to educational programming.

This survey will take you roughly 10 - 12 minutes to complete. Your participation is voluntary and all of your responses will be kept confidential. The findings will be reported in aggregate only and not attributed to any one participant.

Please note that these data are confidential and will not be part of your student record. These data will be reported in aggregate to ensure individuals are not identified. Personal information that you provide to the university and this Program is at all times protected in accordance with the *Freedom of Information and Protection of Privacy Act*.

If you have any questions regarding this survey, please contact the Office of Quality Assurance.

Demographic Information
Please provide a little bit of information about your role and experience within the program.

1. Select the answer that best describes your role within the program:
    - ☐ Tenured or tenure track faculty member
    - ☐ Limited term, University Instructor, or sessional faculty member

2. How long have you been a faculty member in the program?
    - ☐ 0 – 2 years
    - ☐ 3 – 10 years
    - ☐ More than 10 years

Admissions and Advising
3. Please identify the extent to which you agree with the following statements:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not applicable
The program admission requirements are adequate to ensure students have the background to succeed in this program.						
Students have adequate access to program advisors.						
Program information (e.g., Academic Calendar, brochures, TRU website, etc.) clearly describes the program content, learning outcomes, and graduation requirements.						

4. Do you have any additional feedback regarding program admissions and advising? If so, please comment below:

Program structure, program delivery, and curriculum

5. Please comment on the extent to which you agree with the following statements:

		Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not applicable
The purpose of the program is clear to me.							
The purpose of the program is supported by the curriculum.							
The sequence of courses is logical and builds on earlier work and sets students up for success in their subsequent courses.							
The foundational courses in the program prepare students for more advanced courses.							
The program provides a sufficient range of courses and learning opportunities.							
The program purpose, goals, and learning outcomes are communicated effectively to students.							
Assessment data is regularly collected and used to inform improvements to the program (program learning outcomes, courses, expectations etc.).							
Library resources are adequate for the program.							
The practical and experiential learning in this program is sufficient to prepare students for a career in the discipline/profession.							
Overall, the program provides students with adequate preparation for further study and/or employment.							
As a faculty member, the success of students in the program meets my expectations.							

6. Do you have any additional feedback regarding program structure, program delivery, and curriculum? If so, please comment below:

Development of Knowledge, Skills, and Abilities

7. Please comment on the extent to which you believe this program supports students' development of knowledge, skills, and abilities related to the following:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Not applicable
Insert program learning outcome						
Insert program learning outcome						
Insert program learning outcome						
Insert program learning outcome						
Insert program learning outcome						
Insert program learning outcome						
Insert program learning outcome
