

Program Review Alumni Survey

The purpose of this survey is to invite you to provide feedback on the [insert program name] program, referred to as Program in the survey. Your feedback will inform improvements to educational programming.

This survey will take you roughly 10 - 12 minutes to complete. Your participation is voluntary and all of your responses will be kept confidential. The findings will be reported in aggregate only and not attributed to any one participant.

Note: We are conducting a program review, not an assessment of individual faculty members. While your honest feedback is important to the review, please refrain from commenting, either positively or negatively, on individual faculty/staff members. Thank you.

Please note that these data are confidential and will not be part of your student record. These data will be reported in aggregate to ensure individuals are not identified. Personal information that you provide to the university and this Program is at all times protected in accordance with the [Freedom of Information and Protection of Privacy Act](#).

If you have any questions regarding this survey, please contact the Office of Quality Assurance.
